Electronic Case Filing System Upgrade – Debtor Statistical Information

Beginning with cases opened after the Bankruptcy Electronic Case Filing System (ECF) is upgraded (anticipated date of March 1, 2009), additional data entry on chapter 7 and chapter 13 cases is required. Page two of this handout displays the additional information required at case opening. This information can be found on Schedule C (for both 7 and 13 cases) and on the Statement of Current Monthly Income (B22A for 7 cases only). This information is needed to meet reporting requirements created by the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005.

If you use petition preparer software, contact your vendor to make sure you have a version of the software that will automatically load this information into ECF at case opening.

If you enter cases manually, extract the information from the applicable line on the Schedule or Statement, enter the information, and use your tab key to navigate to the next data field.

Please contact our office at 816-512-1800, extension 6 if you have any difficulty.
