This Document Relates To: ALL CASES

**ORDER**

Pending before the Court is the parties' Motion on Consent to Amend Scheduling Order (Doc. No. 169). The parties seek short extensions of the deadlines for filing supplemental briefs, as ordered in the Court's previous Order (Doc. No. 168). The parties also seek permission to file supplements of up to 15 pages.

For good cause shown, the parties' motion (Doc. No. 169) is **GRANTED**. Accordingly, the Court directs the parties to file supplements to the motions for summary judgment and motions to strike expert testimony (Doc. Nos. 108, 113, 115, and 120) on or before **September 21, 2015**. If the parties believe that supplementation is unnecessary, they shall file a statement to that effect on **September 21, 2015**. Responses to the supplements will be due on or before **October 5, 2015**. Thereafter, the Court will reopen and consider the motions for summary judgment and motions to strike expert testimony. Supplements shall be no longer than 15 pages.
